Dear Gong Lan,

ZF Marine Electronics would like to congratulate you and your associates at Holyfort Industrial (HK) Ltd., for your excellent performance as the top dealer for ZF Marine Electronics products in the Asian market for the period 2007 through 2010. Your conscientious attention to detail and prompt response to service and installation questions enables us as partners to maintain a very strong position in your market area.

Thank you for a job very well done. We look forward to a long and even more successful partnership in the future.

Best Regards,
